**MENÚ
PRINCIPAL**

```
graph TD; MP([MENÚ PRINCIPAL]) --> 1[1]; MP --> 2[2]; MP --> 3[3]; 1 --> CC([CAMBIAR CLAVE]); 2 --> D([DESCIFRAR]); 3 --> F([FIN]); CC --> MP; D --> MP; F --> MP;
```

The diagram is a flowchart on a dark blue background. At the top center is a light blue oval labeled 'MENÚ PRINCIPAL'. Three arrows point down from this oval to three light blue rectangular boxes labeled '1', '2', and '3'. From box '1', an arrow points down to a yellow oval labeled 'CAMBIAR CLAVE'. From box '2', an arrow points down to a yellow oval labeled 'DESCIFRAR'. From box '3', an arrow points down to a yellow oval labeled 'FIN'. From each of these three yellow ovals, an arrow points left and then up to return to the 'MENÚ PRINCIPAL' oval, creating a loop.
